Heartiest Greetings!

Friends, my quest for perfection began early in life. Having been fortunate enough to have a decent professional education, I pondered constantly as to how I could contribute to the uplift of society. Holistic education and all endeavors related to the same become my guiding light. Thus, I embarked upon the present journey of Genesis Institute of Dental Sciences and Research, Ferozpur (GIDSR). It is my vision to set up an Institute where our young, budding dentists will receive education of the highest quality, comparable to the best anywhere. GIDSR is that Institute, where we look beyond academic development and the attainment of good grades, by growing into multi-faceted individual with full of initiative, imagination and the ability to work well with others, recognize human and societal needs. design novel and sustainable medical solutions. We aim at transforming our students from being first class students in to a state thought leaders ready to take up the challenges of the Medical World both in India and abroad. Therefore, we are aiming to move into the second phase of expansion through several new courses and collaborative programs with some foreign universities apart from myriad of MDS programs in seven specialties that GIDSR offers.

GIDSR being a NAAC accredited institute has all the MDS courses recognized by the Dental Council of India and the Government of India. The Curriculum is also designed to produce global dentists by focusing on the comparative,

cross-cultural, international and interdisciplinary approach. One can discover a unique learning community which is demographically diverse from all educational institutions. By imparting state of doctorate, post-graduate, graduate & undergraduate programs, constant surge in academic partnerships, host of several international conferences and other techno-cultural events, the institute has taken lead in educational, intellectual and cultural aspects in the northern India. Doctoral programs within the institute are designed not only for external scholars, but also serving faculty who wish to integrate their theoretical knowledge and practical experience into their professional roles to benefit their organizations and communities.

Although a short period of time has passed yet institution's humongous success manifests that good intent has borne fruit. I am overwhelmed by the faith reposed in our institution by students who come from near and far and on behalf of the GIDSRG Group, I deem it to be my responsibility that I leave no stone unturned to develop the College into one that is counted amongst the best in the world.

Wishing you all the best in your future endeavors.
Arise, Awake and Advance!

Message

CA. Raj Kumar Goel
President

Myself CA Raj Kumar Goel has been bestowed the honour of heading these esteemed institutions, Genesis Institute of Dental Sciences and Research, Ferozepur (GIDSR) Though it's extremely difficult, albeit, impossible to step into the shoes of our past president, the legendary Advocate Rattan Lal Singhal Ji, but I will make every effort to the best of my abilities, to advance the noble objectives of these institutions . Good educational institutions are the foundation stones on which great buildings of pioneers, researchers and nation builders rest.

With the worthy team of CAs Varinder Mohan Singhal, Chairman, Gagandeep Singhal , Mr Sameer Mittal Joint Chairmen, the principal, learned professors , intelligent students and supportive staff, we will leave no stone unturned to take our institutions to the pinnacle.

I am confident and sure that alumni of our institutions will be respected in their chosen fields and will be leaders of the organizations they work for or float on their own.

I also extend our heartiest greetings and welcome to the new students who will be joining us very soon.

CA. Raj Kumar Goel
President
Genesis Institute of Dental Sciences and Research
Ferozepur

Message

CA. Varinder Mohan Singhal
Chairman

I welcome you on behalf of Genesis Institute of Dental Sciences and Research. I feel a profound sense of responsibility for maintaining the expectations and trust of the students in the institution.

When GIDSR was established, there was little to indicate what a future could hold for the institution, except a deep inspiration to leave a lasting and positive impress in higher education in India. That aspiration has become the foundation for all that GIDSR has been able to achieve. The Institute accomplishments is a story of a determined pursuit of excellence, a commitment to embody its mission as a private institute promoting public service and adopting a sustainable approach to institution building in all its forms.

I am proud of the Institute's direction and of the progress we've made to enrich the GIDSR experience and to prepare students to lead lives of impact and meaning. The faculty members continue to demonstrate a passionate commitment to maintain the highest standards of academic excellence. With challenges ahead, we must strive to equip the leaders of future with competence and excellence to address emerging social issues.

Over the next five years, GIDSR aspires to lead and shape key national and international academic excellence, address emerging challenges in varying subject areas and be a model of how a private higher education institution can remain socially conscious and contribute to nation building. The Strategic vision 2024 captures the ambitious and aspirational spirit in which GIDSR takes an opportunity to create a collective vision and sense of shared imagination on how GIDSR can best fulfil its founding vision- to create a future where our students and

faculty find passion and fulfilment in helping build a just, fair and equitable social consciousness.

GIDSR 2024: FIVE PILLARS FOR ACHIEVING INSTITUTIONAL EXCELLENCE

Thank you for all you have done to be a part of this incredible place and I Welcome you all who are going to be part of this incredible place! I remain committed to developing this Institute to become one of the most reputed global institutions of excellence. Through the commitment and dedication of students, faculty, and staff who are the champions of our future, we are poised to embark on another exceptional year.

CA. Varinder Mohan Singhal

Ferozepur

Message

Sh. Sameer Mittal, Industrialist
Joint Chairman

We at GIDSR visualize our rich architecture decorated with green ambience to be placed where ideas are born, leadership is developed and new and exciting methodologies are synergized for establishing optimum learning opportunities for the Dental Graduates.

Since inception, the Institute has constantly worked towards raising the academic bar. In pursuit of offering the best technical knowledge, and skills to the budding Graduates, the Institute has grown technically sound with state-of-the-art laboratories with hi-tech equipments and best infrastructure for academics and research. "Growth in every sphere of activity" is visible through the excellent academic performance of our students and employment acceptance displayed by pan India reputed organizations.

The aim of GIDSR is to develop a globally adaptable professional with social sensitivity. Today's dentists need applicable knowledge and skills to navigate their organization through an ever-changing and dynamic environment. We not only concentrate on knowledge increment but also in enriching of spiritual, social and personal development.

Sameer Mittal, Industrialist
Joint Chairman,
Genesis Institute of Dental Sciences and Research
Ferozepur

CA. Gagandeep Singhal
Joint Chairman

Academic research driven by intellectual curiosity has given birth to new technologies and new industries which have made the impossible possible and built our modern society. More keenly today, we place in academic research and education our aspirations for resolving myriad social and economic problems.

GIDSR responds to these pressing problems by promoting research across the spectrum of scientific and technological fields. By providing this kind of stimulating environment, we aim to inspire and develop the creativity of each student. We are pleased to note your interest in GIDSR . We foster the growth of innovative professionals, scientists and dental experts who are firmly grounded academically and enjoy the trust and confidence of the community at large.

We want GIDSR to be the dream of every student who wants to make the world a better place.

With Best Wishes!

CA. Gagandeep Singhal
Joint Chairman,
Genesis Institute of Dental Sciences and Research
Ferozepur

Message

Prof. (Dr.) Purshottam Jasuja
Director Principal

Genesis Institute of Dental Sciences and Research is offering Post graduation in dentistry since more than a decade. It is a wonderful experience to find our alumni among the reputed clinicians academicians and researchers. The institute is having renowned dedicated and experienced faculty who are imparting quality education and skills under their direct supervision.

Genesis has been attracting Post graduate students from all over India. The institute is run by Philanthropist and visionary management and continuous efforts are made to provide world class infrastructure and environment for education.

Our institute is offering latest equipments, updated library facilities and well maintained clinics for excellent patient care.

The institute is famous in the region for providing quality dental care to the patients. Genesis has a very well maintained and serene campus and various extracurricular and sports activities are regularly organized to keep the students afresh.

We are providing excellent research facilities and every year a number of original research articles are contributed to various national and international journals.

It is our continuous effort to provide excellent infrastructure and facilities to the students so that they can excel in clinics, academics and research and contribute positively and constructively to the nation and society at large.

Prof. (Dr.) Purshottam Jasuja
Director Principal
Genesis Institute of Dental Sciences and Research
Ferozepur

General Information

BACKGROUND

Genesis Institute of Dental Sciences and Research, owes its existence to the Patriarch of Shaheed Dr. Anil Baghi Charitable Society. Late Sh. Satya Pal Baghi. His vision was to bring about prosperity through empowerment for which good education, was a vital tool. He firmly believed that education and healthcare were vital for social change. He wanted this social change to have a Trans border impact.

- Genesis or GIDSR as it is popularly known was established under the aegis of Shaheed Dr Anil Baghi Charitable Society in June 2005.

The institute is an important Milestone on the 'Road map of the Trust' which has already established its credibility in "Health Care, Education and Research . The trust has a modern" "Super Specialty" hospital and a "Nursing College" in the region .With the establishment of Genesis the contours of a Multi - dimensional Health hub in the region are complete. The society also offers B.Sc. (Nursing) Post Basic B.sc (Nursing) and G.N.M. Courses in the Nursing College. It has now been given the status of a Post Graduate institute, by being offered MDS Courses in Seven specialties. The ultimate aim of Shaheed Dr. Anil Baghi Charitable Society is to transform Ferozepur into a major Educational Research Hub and Health Tourism destination . The institute has also added various value added specialist courses in Implantology, Rotary Endodontics and Oral Rehabilitation, Laser Dentistry, Aesthetic and Restorative Dentistry, Dental Sedation and Pain Management, Smile Make overs , Clinical Prosthodontics, Comprehensive Pedodontics and Perio Esthetics. These are approved by Punjab Dental Council.

CERTIFICATE OF NAAC ACCREDITATION

LOCATION AND CONNECTIVITY

The campus is located astride the main Ludhiana - Ferozepur highway just 6 km short of Ferozepur town. It shares the International border with Pakistan which is 7 kms away. It is well connected by air, road and rail. Being home to Northern Railways Headquarters direct trains emanate to practically all parts of the country. Road as means of travel is more popular for students residing within Punjab. Road transport system is served by comfortable luxury buses, which ply at regular frequency and are safe and economical .Nearest airport is at the Holy city of Amritsar. With the anticipated construction of an International Airport at Jagraon and ongoing conversion of the connecting road into a six lane super highway, the timings and connectivity to rest of the country will further improve appreciably. Softening of borders will lead to greater trans border movement. Trans border accessibility and its location astride the International border with a predominantly rural population, there is a huge scope for accessibility to a large pool of patients. This also helps in maintaining a good student patient ratio. There is also ample scope for result oriented research projects. The soothing winter weather is ideal for Dental Camps. Number of tourist attractions like Harike Barrage, Harike Bird Sanctuary, Golden Temple, Nestle, Hussainiwala, Shaheed Bhagat Singh, Sukhdev Singh and Rajguru Samadhi and Mamdot Fort are located in close proximity. A picnic on the banks of Satluj River is a fascinating experience. The region is a historian's delight.

Vision and Objectives

VISION

- To train Post Graduate Students in Dental Health Care, and make them capable of rising to the challenges, in a futuristic Global environment.
- To create focused Professionals, who are aware of their potential and , who are Solution Finders, and have flair for Research.
- To create professionals who are futuristic and flexible in thinking and quickly adapt themselves to the fast changing professional environment to ensure latest trends are incorporated in their treatment skills and to make treatment affordable.
- To develop a world class infrastructure with "State of the Art" equipment to ensure World Class Healthcare with a human touch.
- To evolve into a World Class education and health care centre of excellence with a global potential.

OBJECTIVES

- Provide a world class infrastructure with State of the Art equipments and teaching aids with optimum student equipment ratio.
- Provide a student friendly environment for focused studies and overall personality development.
- Dynamic, innovative, periodically updated curriculum which assists students to remain abreast with current and futuristic trends, assists better assimilation and develops skills for efficient result oriented patient management in a global environment.
- Develop and constantly adapt new ideas, to evolve a vibrant syllabii and teaching methodology which is in harmony with changing treatment skills and options and availability of Cutting edge Technology at par with emerging and challenging global standards.
- Provide latest real time Academic Support Services which help students to have easy and cost effective access to the huge knowledge explosion.
- Provide the most eminent Faculty who are competent, futuristic, adaptable and have excellent teaching skills to cater for the needs of Gen-X professionals.
- Develop tie-ups with renowned Foreign Universities with a view to enhance Research and Development, mutually beneficial career and faculty and student exchange programs to provide global exposure.
- Incorporate latest developments which form the backbone of future Dental Care.
- Encourage and Organize camps to reach out to rural masses, educational Institutes to create wider awareness and extend world class treatment at affordable costs.
- Create a network of 'Satellite Clinics' to promote dental care in rural areas and urban metros with the ultimate aim of correcting the Population: Doctor ratio and ensure an exposure spectrum which covers Rural-Metro-Global range.
- Expose students to IT and its potential role in the futurist scenario.
- To provide value added courses in high end specialties, to enhance employability in latest treatment procedures and handling equipment.

GOVERNMENT SANCTION RECOGNITION

The institute has been accorded final recognition for MDS course in Oral Pathology and Microbiology, Orthodontics and Dentofacial Orthodontics, Pedodontics and Preventive Dentistry, Prosthodontics and Crown and Bridge vide Govt. of India Ministry of Health and Family welfare notification No. F.No. V. 12017/01/2014-DE dated 15.4.14.

The Institute has also been recognized for MDS course in Periodontology, Conservative Dentistry & Endodontics vide Govt. of India Ministry of Health and Family welfare, vide notification No. F.No.V.-12017/07/2014-DE dated 26 September 2014.

The MDS Course in Oral Medicine and Radiology has been recognized vide Govt. of India Ministry of Health & Family Welfare notification No. V.12017/05/2018-DE dated 05.03.2018

UNIVERSITY AFFILIATION

The college is Affiliated to Baba Farid University of Health Sciences (B.F.U.H.S.), Faridkot, Punjab.

GENERAL HOSPITAL AFFILIATION

The Institute is affiliated to a 100 bedded Super Specialty Hospital as per the guidelines of DCI.

NAAC ACCREDITATION

Institute is NAAC Accredited vide letter no. F.19.26/EC (SC-4)/ DO/2014/66 dated : 11th December 2014.

VISION STATEMENT

To bring out well trained dental graduates who would cater to the needs of the society in imparting quality dental care backed by sound theoretical knowledge imbining great values such as compassion, care and concern.

MISSION STATEMENT

To be the finest dental institute in the country in providing quality dental education to the dental students and exposing them to the best available technology thereby empowering him to be the dental professional of the next generation or a global dental professional who could carve out a niche in India or anywhere in the world.

Faculty

FACULTY and ADMINISTRATIVE STAFF

The Institute boasts of a highly Professional and experienced faculty and administrative staff. The departments are headed by professionals whose qualifications are in conformity with those stipulated by the Dental Council of India. The faculty and Administrative set up is headed by an eminent administrator and academician as its Director Principal. Salient highlights are:-

- Faculty members are nationally/internationally renowned professionals in their respective subjects and specialties.
- Faculty professional reputation attracts large patients including "Rare" cases. Students get live exposure and these case studies are preserved for future teaching and Research Projects.
- Faculty has excellent commitment and communication skills. Faculty is encouraged to keep Knowledge updated through writing of Professional Papers and attending Seminars and Workshops financed by the Institute.
- Faculty of studies has primary responsibility to keep abreast with latest developments and update own lesson plans and develop Question Banks which are accessible through E-campus hub provided.
- Faculty residing in the campus affords off-time interaction for weaker students. E-campus also provides on line interaction.
- Administrative staff is mostly drawn from the Armed Forces, who are highly qualified in the field of Administration, Security and Hazard management.

Each Year Students Shall Deposit Fees By Due Date Specified I.e. the 20th of April and 20th of October each year.

CLINICAL DEMONSTRATION

CLINICAL DEPARTMENT FUNCTIONING

CLINICAL TRAINING

CLINICAL PRACTICE

BDS Examinations

Evaluation is based upon criteria developed with certain objectives to assess the performance of the students. This also indirectly helps in perceiving the effectiveness and quality of assimilation to effect mid course corrections.

- Evaluation is achieved by two processes
- Formative or internal assessment
- Summative or university examinations.
- Formative Evaluation is done through a series of tests and examinations conducted periodically.
- Summative Evaluation is done by the university through examinations conducted at the end of the specified course.

EXAMINATION HALL

METHODS OF EVALUATION

- Evaluation is achieved by the following methods:
- Written test
- Practicals
- Clinical examination
- Viva voce.

INTERNAL ASSESSMENT EXAMINATION

The continuing assessment examinations will be held frequently at least 5 times in a particular year and the average marks of these examinations will be considered. 10% of the total marks in each subject for both theory, practical and clinical examination separately are set aside for the internal assessment examination.

UNIVERSITY EXAMINATIONS

Examinations shall be held twice a year on the dates fixed by the University. 240 days minimum teaching in each academic year is mandatory. The scheme of examination for B.D.S course shall be divided into 1st Prof. B.D.S examination at the end of the first academic year, 2nd Prof.

B.D.S examination at the end of second academic year, 3rd Prof B.D.S examination at the end of third academic year, and Final Prof B.D.S examination at the end of fourth academic year. After passing the 4th Prof. B.D.S examination the student shall undergo one year compulsory rotatory paid Internship.

ATTENDANCE

“75% in theory and 75% in practical/clinical in each year. In case of a subject in which there is no examination at the end of the academic year, the percentage of attendance shall be evaluated cumulatively at the end of the session in which he/she shall be required to appear in that subject and shall be evaluated similarly at 75% each for theory as well as for practical/clinical separately”. Those who fail to meet these twin requirements will be held back.

CRITERIA FOR A PASS:

- For declaration of pass in a subject, a candidate shall have to score 50% marks in the University examination both in Theory and Practical/Clinical examinations separately, including Viva-voce and internal assessment.
- In case of pre clinical Prosthetic Dentistry and Pre Clinical Conservative Dentistry in BDS 2nd Prof., where there is no written examination, minimum pass marks is 50% in practical, Viva-voce and internal assessment combined.
- Successful candidates who obtain 60% of the total marks or more shall be declared to have passed the examination in the first division.

Other successful candidates will be placed in Second division. A candidate who obtains 80% and above is granted distinction. Only those candidates who pass the whole examination in the first attempt will be eligible for distinction.

MDS Admission Policy |

- These admission policy guidelines will be read in conjunction with State Government of Punjab Latest Notification and Baba Farid University of Health Sciences (BFUHS) Faridkot Prospectus for admission to MDS Course and subsequent amendments.
- NEET MDS exam for admission in MDS courses and subsequent amendments.
- NEET MDS is the eligibility-cum-ranking examination to various MDS Courses. Qualifying NEET MDS is mandatory for getting entry to MDS Courses under various Universities and Institutions.
- Baba Farid University of Health Sciences, Faridkot will make admissions on the basis of NEET MDS as per procedure and criteria laid down in the notification .
- Receipt of all categories of applications and Counseling for admission to all categories of seats shall be held as per procedure and criteria laid down in the prospectus of BFUHS.
- A candidate who is already admitted to any Post Graduate degree Course shall not be eligible for admission.
- The application for Admission, complete in all respects shall be submitted to the Baba Farid University of Health Sciences, Faridkot, Punjab

ELIGIBILITY DETERMINATION OF MERIT AND PREFERENCE FOR ADMISSION

- Candidates qualifying NEET MDS shall be eligible for admission in Govt/Private colleges. The minimum qualifying marks will be as per provisions of NEET MDS. In order to be eligible for admission to any postgraduate course in a particular academic year, it shall be necessary for a candidate to obtain minimum of 50th Percentile in "NEET MDS" test for postgraduate courses. In respect of candidates belonging to scheduled castes, Scheduled Tribes, other Backward Classes, the minimum marks shall be at 40th Percentile or as notified by the MCI/DCI as the case may be.
- Selection of students for postgraduate dental courses (MDS) will be in accordance with Government of Punjab Department of Medical Education & Research Notification and as per DCI regulation-2007 as amended from time to time.
- Schedule of Counseling will be decided by the Baba Farid University Health Sciences, Faridkot keeping in view the schedule of the Dental Council of India or in compliance with order of competent court of law.
- The choice(s) of Courses/institution shall be exercised by the candidate at the time of Counseling/interview in the University .
- Admission to Private Aided, Unaided and Minority Health Sciences Educational Institutions may be made as per procedure and criteria laid down in or notified under the Punjab Private Health Sciences Educational Institution (Regulation of Admission, Fixation of Fee and making of Reservation) Act 2006 and as amended from time to time.

Eligibility NRI:

As per Criteria laid down in the Government of Punjab Notification.

PG SECTIONS WORKING

The criteria/process and relevant rules and regulation for admission laid down in the Govt. of Punjab latest Notification and the relevant Prospectus 2021 issued by the BFUHS shall supersede all aforementioned paras where applicable.

Method of Training

The training of postgraduate for MDS degree shall be full time with graded responsibilities in the management and treatment of patients entrusted to his/her care. The participation of the students in all facets of educational process is essential. Every candidate should take part in Seminars, Journal Clubs, Group Discussions, Case Demonstration, Clinics, Clinico-Pathologic Conferences and Clinical Meetings. Every candidate should participate in the teaching and training programme of the undergraduate students. Training should include involvement in laboratory and experimental work and research studies.

ANATOMY DISSECTION HALL

Every candidate should take part in Seminars, Journal Clubs, Group Discussions, Case Demonstration, Clinics, Clinico-Pathologic Conferences and Clinical Meetings. Every candidate should participate in the teaching and training programme of the undergraduate students. Training should include involvement in laboratory and experimental work and research studies.

Attendance, Progress and Conduct

- A candidate pursuing degree course should work in the concerned department of the institution for the full period as a full time student. No candidate is permitted to own a clinic or work in a clinic/laboratory / nursing home, while studying in the postgraduate course. The candidate shall not join any other course of study or appear for any other examination conducted by any university in India or abroad during the period of this course.
- Each Academic year shall be taken as a unit for the purpose of calculating attendance.
- Every candidate shall have not less than 85 percent of attendance in each academic year of Course.

Monitoring Progress of Studies

Work diary/Log Book: Every candidate shall maintain a work and record of his/her participation in the training programme conducted by the department such as journal reviews, seminars etc.. The work diary shall be scrutinized and certified by the head of the Department and head of the institution, and presented in the university practical/clinical examination. The candidate also has to maintain a record of all the pre-clinical and clinical work done in the department.

PERIODIC TESTS:

The concerned departments will conduct three tests. First two of them will be annual tests, one at the end of first year and the other in the second year. The third test may be held three months before the final examination as an internal examination. The tests will include written papers, practical/clinical and viva voce. Records and marks obtained in such tests will be maintained by the Head of the Department and will form the basis for clearing a candidate for final exam.

Records:

Records such as work diary and Log Book will be maintained by respective student and endorsed by the Department HOD and counter signed by the Director Principal. During the Postgraduate studies, the student also has to prepare a thesis of his / her research work based on journal reviewed research (Library Dissertation).

Dissertation

Every candidate shall submit a synopsis containing particulars of proposed dissertation work, in the prescribed Performa to the University, duly signed by the Head of the department within six months from the date of commencement of the course on or before the dates notified. The synopsis shall be sent through the proper channel to the University.

Every candidate pursuing MDS degree course is required to carryout work on a selected research project under the guidance of a recognized post graduate teacher. The results of such a work shall be submitted in the form of a dissertation.

Such synopsis will be reviewed and the dissertation topic will be registered by the University. No change in the dissertation topic or guide shall be made without prior approval of the University.

Daily Working Hours

- Each student will adhere to the daily working hours and carryout all assignments as allocated by the faculty from time to time.
- Stay in Hostel is Mandatory

Infrastructure and Academics

The Academic infrastructure has been designed and structured to ensure cohesive yet independent identity of each department. Innovative space management helps provisioning of adequate space and preservation of departmental identity for pursuit of focused studies. Adequate care has been taken to cater for futuristic and Post graduate level teaching requirements. UG and PG infrastructure is cohesive and yet have their own dedicated space and equipment. For value added courses, exclusive training center, with latest state-of-the-art equipment and fully air conditioned adequate working space has been created

CLINICAL PROCEDURES

MACROFEATURES

- Cohesive academic blocks, with spacious Lecture Halls, Laboratories, Demonstration rooms, Clinical labs and Museums.
- Lockers for students to cater to their daily academic needs and safe keep of their instruments.
- Common room for students.
- Cutting edge technology provided for training.

TEACHING INFRASTRUCTURE

- Lecture Halls which are centrally air-conditioned. Provisioned with Multi-Media projection system.
- Smart boards connected to main server for retrieval of all lecture scripts/study material.
- Well equipped museums and model display halls.
- Dedicated seminar rooms.

EQUIPMENTS

The equipping policy is based on norms laid by the Dental Council of India.

- Latest 'State-of-the-Art' equipment with a 1: 1 student, equipment ratio.
- For classroom teaching the latest and most advanced 'Teaching Aids' have been provisioned. These include digital cameras and video equipment, computers, latest projection and audio systems, Smart boards connected to a Central Server Hub which facilitates reproduction, storage and retrieval of all lecture scripts in the form of computer print outs.
- Advanced sterilization equipment and latest bio-waste systems have been provisioned for ensuring medical friendly environment.
- Computerized microscopes with inbuilt telescopic projection facilities, latest visuals and slides for quick assimilation.
- Medical microscopes with specialized imported lenses to ensure clarity of signature of imagery.
- Trinocular microscope with Camera attachments for high resolution capturing of "real time" imagery. The Institute also has Penta Head Microscope
- Smart Boards connected to a Server Hub for "Real-time" storage of Classroom teaching in an intelligent and legible script and which can be accessed by students for preparation of notes or own time revision.
- Well equipped Museums and Display posters displayed in each Department to enhance assimilation and comprehension.
- E-campus for access to all study material.
- Student faculty interaction.
- Latest X-ray and OPG equipment as well as extra oral X-ray Unit.
- Well equipped Mobile Dental Unit.

OPERATING MICROSCOPE

DEPARTMENTAL SETUP

COMPUTER LAB

LIBRARY

Facilities Available

These Include All Infrastructure Which Is Used For Central Teaching. This Included :

- State-of-the-art Library and computer Lab
- Air Conditioned Examination Hall
- State-of-the-art Auditorium
- Well equipped Central Research Centre.
- State-of-the-art advanced centre for early detection oral cancer.
- Advance centre to Implants and laser applications.
- Oral Cancer Research Centre.
- Tobacco Cessation Clinic

CBCT MACHINE

LIBRARY AND COMPUTER LAB

- The Library at Genesis is an architectural delight, a Storehouse of vast knowledge and multiple e-accessibility Options along with storage / recall alternatives.
- A liberal budget, which is left to students to exploit.
- A centrally Air Conditioned library with adequate seating, helps create an environment which encourages focused pursuit of knowledge.
- Well stocked books in adequate numbers, journals, newspapers and professional magazines. Automated "New Books" request and response
- Broadband 24 hour Internet facility to access any site globally . The facility is extended to the hostels with Wi-Fi network. This will be further patched up with University e-library (HSLIB)
- It has a separate enclosure for Faculty Members and post graduate students.
- A fully equipped Computer Lab forms part of this complex for comprehensive e- learning.
- Networks of e-libraries are co-ordinated.

Examination Hall

- Well spaced air conditioned examination hall as per laid DCI norms.
- Comfortable chairs and tables to provide capacity of 200 at one time.

Research Centre

- State- of- the- art, world class Research Centre and Dental Implant Centre .
- Dedicated Research Library.
- Conference Hall with Multimedia facility for presentations and important discussions.
- Well equipped advanced centre for early detection of oral cancer supported by an Immunohistochemistry Lab.

E-Campus

- 24 hr internet Service
- Free of cost Wi-Fi accessibility
- Hub for storage and access to teaching material
- Permits interaction with faculty at mutually coordinated convenient time.

AUDITORIUM

- State- of -the- art centrally air conditioned with a seating capacity of over 600.
- Proper sound proofing and echo proof hall with latest cutting edge sound system.

Practical Training Infrastructure

SCOPE PRACTICAL TRAINING INFRASTRUCTURE

- Before the starting of postgraduate programme an exhaustive orientation programme is given .
- Phantom Head Lab conforming to global standards.
- Modern 'Mortuary' to ensure proper preservation and availability of 'Cadavers'.

BASIC DEPARTMENTS

CLINICAL DEPARTMENTS

- Self reliant 'Dedicated' Clinical Labs.
- The operation theatre of the department of Oral Surgery is equipped with modern State-of- the- art equipment .
- Department of Pedodontics boasts of the only training facility of North India for Conscious Sedation in Dentistry.
- For training of students in Medicine and Surgery the Institute is attached to a Super Specialty Hospital (100 Bedded) .
- High Resolution X-Ray machines, Multiple Feature OPG equipment , which is the only of its kind in North India, and a fully equipped modern Darkroom, with Developing and Drying facilities.
- The Institute has a fully automated Out Patient Department for speedy Management of Patients and Documentation of their records.
- The OPD is run on highly subsidized charges.
- Dedicated Mobile Ambulance Van equipped with Modern Equipment.
- Satellite Clinics in near by Towns / Villages.
- Dedicated bus for patients from villages
- Adoption of village /schools.
- Dental facilities at the Central Jail.

General Features

KEY COMPONENTS OF INFRASTRUCTURE

- 24 X 7 POWER BACKUP**
 - To ensure unhindered power backup 180 KVA backup Generator has been installed .
- WATER SUPPLY**
 - Central Hot water supply based on Solar water Heaters.
 - The Institute has its own 'Captive water supply' of pure drinking water which is supplied through central RO Plant.
- FIRE FIGHTING AND SECURITY**
 - Proper arrangements for Fire Fighting and Security have been made.
- CENTRAL MAINTENANCE CELL**
 - The Institute has been provided an efficient 24x7 maintenance cell in the campus This is supported by a 24 hour back up central maintenance team.
- AUTOMATION**
 - The institute has fully automated its essential Key Resulty Areas like Patient Management, Library.
- GUEST ROOMS**
 - Parents visiting their wards can apply for accommodation. Proper Guest room facilities are available. Parents have the option of taking meals from the mess or can get it on order from the cafeteria.
- CENTRAL MI ROOM**
 - Properly equipped Medical Inspection Room.
 - Proper evacuation facilities to the general hospital in case of emergency
- HI-TECH LAUNDRY**
 - Fully Automated Laundry.
 - Automatic drying system.
 - Automatic pressing system.
 - Door to door collection and delivery service.
- OTHER FEATURES**
 - All measures against disaster management.
 - Fool proof security round the clock
 - Fire Fighting System.
- GYMNASIUM**

HI-TECH LAUNDRY

GYMNASIUM

AREAL VIEW OF THE CAMPUS

Campus Infrastructure

Philosophy

- Genesis has been structured and designed keeping in mind that it is an extended home and at the same time it is ensured that the environment is conducive for focused studies. All safety aspects have been carefully dove tailed.
- We ensure that all Freshers are looked after and none of them is traumatized.
- Pollution free, eco friendly student friendly environment.
- Encourages bonding to act as support to each other.
- Eliminate an environment of Isolation and Loneliness.
- Encourage Personality and Confidence building.
- Promotes healthy competition and yet help each other to excel in studies.
- Promote time management and organized functioning as way of life
- Organize group activities and recreational activities to help realize talent.
- Provide mental peace.

Hostels

A fully residential campus has separate living Blocks for Girls and Boys which are enclosed within individual boundary walls. The salient features are:

- Comfortable independent and fully furnished rooms with option for Ordinary/ Special / Sharing room options as per individual affordability.
- Facilities to upgrade comfort i.e.; installation of AC, etc at extra cost.
- Attached Common Room with adequate sitting arrangements, where students can meet their parents and guests.
- Music system, TV and indoor games like Table Tennis have been placed for recreation.
- Individual telephone in each room which discourages possession of mobile phones.
- 24 hour electricity, maintenance back up, Internet connection and Hot water in winters

BOYS' HOSTEL

GIRLS' HOSTEL

Dining Mess

- A dedicated central mess with adequate dining facilities.
- Fully air-conditioned .
- State-of- the-art Kitchen for central cooking.
- Adequate food distribution stations.
- Promotes bonding between girls and boys.
- Promotes better mess etiquettes.
- Daily Mess Menu made in consultation with Student representatives.
- A proper Student - Catering/ Serving staff ratio.
- Proper dress code and medical fitness of catering and serving staff.
- Proper fly proofing measures.
- Water cooler and aqua guard in mess and on each floor.
- Proper diet for Students declared "Sick in Quarters" by the Medical Officer.
- 24 hour back up staff for cleaning and upkeep of rooms and personal utility facilities.
- Special meals during important festivals and for fasts and exam time.

MESS

CAFETERIA

Cafeteria

A tastefully designed infrastructure, is perhaps the most popular student congregation joint. All aspects of a fully provisioned café have been ensured. The special features of this café are:-

- Adequate seating facilities.
- Arrangements for outdoor seating in lush green lawns or terrace of the café.
- Music and TV facilities.
- Equipment for hygienic preservation and storage.
- Variety of snacks and beverages / fresh juices at affordable rates.
- Fresh juices as per season.
- Full arrangements for organizing birthday or other parties at affordable rates.
- Catering during Picnics, other parties or special meals on notice.
- Proper fly proofing and other hygiene measures like clean crockery etc.
- Food from outside not permitted.
- Projection system for Movies.

Co-Curricular Activities

Games, Physical Health and Recreational Facilities and Activities Due emphasis is laid on ensuring that students play games or indulge in some physical activity after the Academic hours or during spare time . During summer months the students play late in the evening. Inter batch competitions are most exciting. The salient facilities are:-

- Badminton courts.
- Volleyball courts.
- Six a Side Cricket.
- Gymnasium with fitness centre State-of- the- art equipment and TV facilities. There are separate timings for Girls and Boys.
- Basketball Court
- Indoor games like Table tennis, Carrom, Ludo are provided

SPORTS MEETS

Proper inter batch games competitions are organized from time to time. Successful teams and player are given trophies and prizes. .

JOGGERS TRACK

For those who prefer a quick sweat out .

YOGA ROOM

Each hostel has been provided with a Yoga room.

NIGHT GAMES

For late evening games, the area is floodlit with the "High Mast Lights" .

FOUNTAIN

An aesthetically designed fountain was commissioned Located at the entrance, adds emphasis to the eco-friendly signature.Very popular with the "After Dinner" walkers as it adds a refreshing nip to the night breeze drifting down from the green field surrounding the campus. Spiritual Pursuit. The Institute has a proper "Sarav Dharam Sthal" where students can do focused prayers or meditation .

RECREATION AND HOBBY PURSUITS

Due thought has been given to recreation during free time, particularly holidays. Special features are:-

- Picnics
- Excursion based on student proposals.
- Sight Seeing
- Photography
- Instrumental Music
- Dramatics
- Roller skating

FILM SCREENING

Latest film is screened as per demand of students .The screening coincides with week-ends or holidays. Important events are shown live on screen.

DANCE PARTIES AND CULTURAL SHOWS

- Cultural shows are organized at regular frequency. These display the talent.
- Dance parties are normally part of a cultural event .
- Students are encouraged to make their own DJ.

FESTIVALS

All the festivals are celebrated in true secular spirit

Counseling Cell

Students can seek help of the counseling cell headed by the Director Principal and assisted by Joint Director (Adm). The students can approach Joint Director (Adm) any time from 3:00 pm to 5:00 pm or in case of a grave problem without any delay.

32. All students must read the notice boards at least twice in a day ; while reaching and while leaving the institute.

STRICT DISCIPLINARY ACTION WOULD BE TAKEN AGAINST THE DEFAULTER(S)

STUDENTS' SPEAK...

Dr. Akashdeep

True guidance is like a torch in a dark forest." I am Dr. Akashdeep and I have completed my journey of becoming a doctor from Genesis Institute of Dental Sciences & Research, Ferozepur. I am thankful to my college and the staff members for making me who I am today. This journey wouldn't have been possible without the guidance of our most experienced and talented mentors. Through these 5 years so many doors were opened for my personal and academic development. During the most crucial time of exams, the faculty provides the students with a lot of preparatory sessions. Genesis is a complete package for your overall growth, because the Institute does not only holds the excellence in academic but also in other co-curricular activities. I had the opportunity to be a member of the Student's Council which helped me in enhancing various qualities like discipline, leadership and multitasking. They come up with the best by providing various career counseling sessions. I feel proud to be a part of the GIDSR Family.

**Dr. Muskaan
Gupta**

Finding the right path to success at the right time is very important." I am glad for choosing Genesis Institute of Dental Sciences and Research, Ferozepur as my enlightened path of success. I am Former President of the Student Council. The college has provided me with some great opportunities which helped me improve myself in every aspect as a student, as a senior, as a friend, as a sports person, as a leader and most importantly as a professional. The friendly environment, the systematic approach towards imparting education at GIDSR made me a competent individual. The faculty is really very kind and approachable whenever any need arises. The faculty and the management constantly prepares the students for the world by providing numerous career guidance sessions. In GIDSR we are trained to become the best Doctor and because of that I was able to bring my confidence out and became the best I am today. These 5 years will be the most memorable years of my life which made this place my second home. I am really proud to be a GENESONIAN.

Amar Sanghera

It is my privilege to be a part of this institution. With the guidance of our experienced teachers, I was able to score University rank and three distinctions. Along with the academics, our college also focuses on grooming of student's personality in various aspects. The environment of this institution is quite pleasant and helps in coping with the stress encountered by the students. The faculty here helps to bring out the best of the student. There is a student council in our college that conveys all the problems and difficulties faced by the students to the Principal and also arranges various activities. Hammering on the last nail, I would like to say, Genesis is the wholesome basket for one who is looking to pursue BDS.

Disha Randev

It was my dream of becoming a doctor and this prestigious college helped me in achieving it with proper guidance and support from our highly qualified and experienced teachers. The best part of this college is that it not only focuses on studies but also on extracurricular activities by organizing various events throughout the year which helps students to cope up with the stress of studies. It is one of the best colleges in Punjab and I strongly recommend this college to all students who wish to study dentistry and serve the humanity as a capable professional.

STUDENTS' SPEAK

DR. VISHNU SURINDRAN

I am proud to be a Genesonian who got this privilege and opportunity to learn and acquire Knowledge about Endodontics from highly skilled and great minds. This college gave me a place to grow individually as well as socially. Always being under such an amazing staff, headed by such an experienced and en-lighted Principal, this atmosphere really helps me to stay motivated and keeps my spirits high to continue learning and growing in a positive way. I must say that the learning and exposure which Genesis gives is commendable as you will be transformed as a true professional backed by sound theoretical knowledge and excellent clinical exposure by studying at Genesis.

The great environment of my Alma mater is a complete place to get enriched academically. I would also like to throw some light on the youthful events that happen in this campus that keep the vibe of the college hyped up. The facilities provided to us give an ideal environment to work and flourish. I did my Graduation from the same institute and the 8 years spent here have been full of learning opportunities that were full of fun and frolic and sometimes with academic grind that one has to go through. This institute gave me a strong foundation and enabled me to achieve my professional expertise and confidence by providing quality dental education. I strongly urge all those who are aspiring to become dental professionals to get their training in this institute. I

DR. AASIYA YOUSUF

I feel honored to express the dignity of my college. The college infrastructure and campus as a whole is great. It is huge and culture rich. It provides an environment where students will feel very positive from the first day to the end of your Course. College also provides very nice facilities including library and sports ground. During the most crucial time of exams and career guidance, the faculty provides students with lot of preparatory sessions so that they come up with their best. I feel Genesis is the wholesome basket for those who wish to study dentistry and serve the humanity in their life as a professional dental surgeon. I would always be grateful to the Genesis for giving me multi dimensional learning by providing the apt mix of academics, clinical exposure, attitude and leadership.

WALIA**

Genesis Institute of Dental Sciences and research is a wonderful place for all the students seeking the bright career in dentistry. The years spent in this institute in my Graduation as well as Post Graduation had given me a lot of opportunities to enhance my professional skills. Regular training classes, CDE Programmes held at our institute helped me to build aptitude, soft skills and technical skills. Infrastructure provided by this institute is great and the staff is very supportive and really takes a lot of pain for the overall development of the students. All those who are looking for a fruitful professional career in dentistry, your search stops in this institute. "Join Genesis and experience the best learning and career enhancement with overall skill development".
